FINAL INSTRUCTIONS FOR 2013 BRCS

You have told me you are bringing 6 people to the upstream section and 2 to the downtown section. 8 Total.

Leave the following number of canoes and requested equipment at these locations:

1. The two KHS-ODAC youth will bring a canoe and gear to 6th St and Union St at 9:30. A grabber will be there for them. Tell them to stay with the group. Do NOT paddle ahead of the group. They are the most important people there and if they paddle ahead they may as well stay home.

2. River Pitch Landing – 1 canoe – NO PADDLES or PFDs

3. Brown Bridge Canoe Launch Parking Lot - 1 canoe - NO PADDLES or PFDs

4 Scheck's Landing - 1 canoe - 2 Paddles - 2 PFDs – Experienced

No KHS –ODAC canoes or people will go to Shumsky this year. Long story but I will explain it to you if you want me to.

If you have any extra people sign up, place them at Brown Bridge Canoe Landing or River Pitch. Do not place them at Schecks or Shumsky.

This is the FINAL count.

See you there at around 8:30.
